III. Coke is one of the most popular drinks in the world. But now people begin to believe that it's not a good drink

for health. There is lots of sugar in the coke. Having much sugar is bad for people. It also has some caffeine in it. The caffeine can get people into the bad habit of drinking more coke when they feel thirsty. If they don't drink coke they will feel bad. And the worst thing is some people can't work or study without drinking several cups of coke every day. More and more people want to cut down the coke they drink and ask for help from the doctors. In fact, drinking more fruit and vegetable juice is better.

(14—19 FFTFFT)

IV. Everyone wants to keep healthy. It's important to have a good diet. It gives us energy. A good diet is plenty of fresh vegetables and fruit every day. Our bodies also need a lot of rice, noodles and bread. We don't need too much meat, fish or chicken. Some milk products are also needed. We need only a little fat, salt and sugar. If you don't have a good diet, please change your eating habit. Having good habits are good for you.
